ONE Unveils Enhanced Intra-Asia Japan Service Network for 2019

Singapore, 18 February 2019 – Ocean Network Express (ONE) announced the details of its Intra-Asia Japan service network for 2019, offering improved service coverage, comprehensive port connections and competitive transit times. Of which, ONE will operate 7 of these services, and co-loading 5 of the services ensured through slots.

ONE will introduce a Shimizu call on the Japan Straits Malaysia (JSM) service in 2019, providing competitive and direct coverage from Shimizu to Hong Kong, Singapore and Malaysia. ONE will also introduce a new weekly Japan Straits Malaysia 3 (JSM3) service which is ensured through our partners. The JSM3 service will replace the JSM2 service offered in ONE's 2018 network.

ONE outlined its enhanced Japan service network as follows:
